Gentlemen:

Replying to yours of May 20th, in which you inform me that you own Lot 12 instead of Lot 11, Block 39, and that you are willing to convey it instead of Lot 11, as called for in your warranty deed, I will state that it will be satisfactory to me, if you own Lot 12 and will make me a warranty deed, or rather, if you will make deed to Julia Johnson, I will make you a quit claim deed to Lot 11.

Yours very truly,

*H. W. Johnson*
